2016 Annual Drive

Dear John B. Law,

As President of the Citrus Heights Police Officers' Association (CHPOA), I want to sincerely thank you for your past support of us and bring to your attention the effect of nationwide events which has cast a shadow in our community.

Today as I ask for your continued support of our community mission, we are mindful of the unprecedented wave of violence against our fellow officers in Ferguson, Baltimore, New York and especially the execution murder of a Texas Sheriff's deputy. Combined with the double punch of California's AB 109 (early release of some prisoners) and Prop 47 (making most property crimes, theft and non-violent drug crimes a misdemeanor) your future support is more critical than ever.

Knowing we are not alone and supported by you **makes all the difference to us and our families**. As the holidays are approaching, we are thankful for holding us up in your generosity. In deep appreciation and support, we hope you will display our CHPOA 2016 Proud Supporter decal, which are only available to our community supporters.

Your contributions to the CHPOA support our police officers and families of fallen officers, and are invested back into the community through our sponsorship of local programs. Donations are solely used to support the CHPOA; this program is NOT political in nature. Your solidarity with the men and women dedicated to protecting our city send an encouraging message to our youth and shouts a louder message to those criminals who might think no one cares. We know you do! To learn more about our association please, visit us online at www.citrusheightspolice.org. We'd love to have you visit our Facebook page; give us a "like," and follow us on Twitter!
